**Frankenmuth Car Show Rally
September 17, 18 & 19
Frankenmuth, MI**

Bill's Blog!.....

The August DO NOTHING rally was a success. The Hosts; Walt Sara Halley, Dick & Kathy Wilson, Gary & Kara Kosier. Frank Anna Minolli, Tom & Lee Hampton and Bill & Pat Bode put a lot of work into what was to be a do nothing rally. The only attendees that fit the program were the club members as the committee did all the work. We thank the committee for their work and all went well as the rain stopped.

We have two rallies left for this season. September is in Frankenmuth, MI by the time you read this you should have made your reservation with the campground. We will be joined by the GMC Heritage Cruisers. At this rally the Clubs election of officers will take place. The second and last rally of the season will be in Shipshewanna, IN. The installation of officers for 2010 will be during the corporate meeting to be held during the October rally in Shipshewanna, IN. Happy GMC'ing

Do Nothing Rally – Plain City, OH

True to Ohio weather, it changed indiscriminately from very hot and muggy to a good September rain to an October cool.

We had 35 coaches with 63 people come to enjoy Pastime Park. The large oak trees in the park provided an abundance of shade. Orville and Betty Gibbs joined us but did not bring their coach.

Continued Page 2

John and Janet Wright had a fright on their way to the rally when their tow vehicle was broad sided at an intersection. This of course delayed their arrival. Thankfully neither was hurt.

Because of the new parking rules in the park we had to walk a little farther than usual, which got us ready for our meals.

Thursday thru Sunday we had fresh rolls, donuts and fresh fruit for breakfast. Thursday evening was pizza and salad from Adamo's Pizza in Plain City. There was a little left for the next days lunch. Along with the pizza there was homemade ice cream that Dick and Kathy Wilson made.

Friday, the rain came down in buckets during the day. We were fortunate that it quit in time for us to line up and travel to eat at the Dutch Kitchen. There we had roast beef and pressure-cooked chicken along with green beans and mashed potatoes topped off by home made pie. The manager was surprised that our senior members were such hearty eaters. Saturday evening we had sloppy joes and hot chicken sandwiches along with potluck dishes brought by the members. We again ate hearty.

Walt Halley set up a "theater" in a shelter house "dairy cattle barn" for Friday and Saturday evenings with surround sound. Heat and mosquitos one night, cold requiring blankets the next kept people away.

Several people went to see the Chihuly display in Columbus. The quilt shops were also explored. Some checked out downtown Plain City. A few went to Eldchrist Winery, which is new to the area, and tasted their wines. Some of the fellas, lead by Bob Swartz, went to Dayton to explore Mendelson's Hardware and the like.

There were the usual sightseers driving through the park. Some stopped and examined the coaches and believe it or not our members discussed the GMC's.

Rally hosts were discussed for 2010 as there are still openings for next years rally schedule.

Larry and Darlene Bonkoski and Kenneth Hugelier both from Michigan were first timers.

Thanks to every one that attended, it is the people that attend the rallies that make this club so special.

Thanks to our committee:

**Dick and Kathy Wilson
Frank and Anna Minolli
Gary and Kara Kosier
Tom and Nina Lee Hampton
Bill and Pat Bode**

Without the committee's help the rally could not be put on!

A bit of Sunshine, comments from a past member family:

In the late 80s, early 90s, our family belonged to this club until my father passed in 1991. We had a GMC Eleganza 11 - fully restored. I wanted to write to thank the GMC Great Lakes club for the wonderful memories

that were created for our family during the trips through Michigan and Ohio in the late 80s.

I fondly remember them and take them with me. Sadly, when my father passed (Vic Sears from Windsor Ontario Canada in 1991, wife Darlene and children Jennifer (me) and Matthew) we sold our Eleganza 11 and

started to rebuild our lives.

If anyone recalls my father or our family, feel free to reply to my e-mail address. I now work at GM Transmission Plant where my father used to work building the 4T45E transmission for all small car vehicles in

North America (Saturn Vue, G6, G5, Malibu etc). Great company! Great product!

The GMC Great Lakers association is an organized, fun and caring group of people and that is what I remember! Thank-you for the years of travel and a lifetime of memories!!!!

If we buy a GMC Motorhome again in the years to come, we'll be sure to register with this club!

Kindly, Jennifer Sears and family
