CODE OF ETHICS

FMCA members agree to abide by the FMCA Member Code of Ethics, which represents all our endeavors to be good neighbors; careful, responsible coach owners and operators; and good citizens of our communities. I own at least 33 1/3 percent interest in a qualifying RV.

FMCA does not sell or release the names, home addresses, phone numbers, or email addresses of its membership. Members are occasionally sent communications that pertain to FMCA-approved benefits or programs.

What is FMCA?

If you own a RV, great friends and good times await. Become a member of FMCA — an international organization for RV owners — and join the thousands of other RV enthusiasts whose travel experiences have been enhanced through their membership in FMCA. Enjoy camaraderie and friendships among people sharing the common interest of RV travel. And take advantage of a wealth of benefits and services — all specially designed to meet the needs of RV owners like you.

Since 1963, FMCA has been helping RV families to make their travel experiences even more rewarding. FMCA welcomes anyone who owns and enjoys the recreational use of a self-contained RV. Some members live in their RV on a full- or part-time basis, while others use it for weekend excursions or longer vacations. Others use a RV to pursue their passions, which could mean anything from attending college or professional football games, car races, or speedboat competitions to participating in horse or dog shows.

FMCA members have a rich tradition of extending hands of friendship to one another, which we now offer to you. Become an FMCA member and enjoy your RV even more!
